

Acequias & Gates

Joan Sutherland

A Hitchhiker's Guide to Acequias & Gates

We decided to let pros handle the business of publication, so that we can concentrate on new dharma projects. The book's cost reflects what Blurb.com charges to produce and distribute the book; the Legacy Fund is subsidizing the editorial and pre-production expenses. We hope that providing three formats at different prices will serve everyone; there are significant volume purchase discounts that we encourage communities and others to take advantage of.

How to Order *Acequias & Gates*
